

# Super Bunny.

## 3 Flippin' Flopsy.

### *Characters*

*Mrs Bluit (A house keeper)*

*Professor Chocle (eccentric scientist)*

*Super Bunny (a Bunny super hero)*

*(The Professor and Mrs Bluit are sitting near each other. Mrs B is sniffing, the Prof is looking very sad)*

Mrs B: Its no good, I just can't stop thinking about that brave Bunny. He was so brave.  
He didn't think about himself, he just ....(tails away in to sobs)

Prof: Yes Mrs Bluit, there never has been or could be as brave a Bunny as Super Bunny, and thanks to his bravery and fearless courage Choco-world is a safer and happier place without the Evil Dr Chocovont.

Mrs B: Oh yes, I know you're right professor, but Poor Super Bunny, poor poor poor Super Bunny.

*(Very quiet hero music)*

Prof: What was that?

Mrs B: I said: Poor Super Bunny, poor poor poor Super Bunny.

*(Hero music slightly louder)*

Prof: No not that, I'm sure I heard something else ... say it again.

Mrs B: Poor Super Bunny, poor poor poor Super Bunny.

*(Music slightly louder)*

Prof: Yes! I definitely heard something, Mrs Bluit, say it one more time.

Mrs B: O all right then. Poor Super Bunny, poor poor poor Super Bunny.

*(Music getting louder)*

Prof: (Standing up) Its that music, it means that ... that ... that he must be .... be ... be alive. Say it again Mrs Bluit!

MrS B:(getting excited) Poor Super Bunny, poor poor poor Super Bunny!

*(Music plays and Super Bunny runs on to stage and does his dance)*

Mrs B: Super Bunny, Super Bunny.

*(music and dance again)*

SB: (breathless) Call me .... call me ..... Flopsy!!

Prof: Flopsy ... you're all right! But I saw you fall into the vat of Boiling Chocolate. What happened to you?  
SB: Well I have to say that it was pretty unpleasant in that vat of boiling chocolate. I was getting pretty warm and pretty angry too.  
Mrs B: You mean you were a Hot Cross Bunny?  
SB: Err.. yes ... I was hopping MAD!  
Prof: But we thought you were ... were ... were dead!  
SB: Super Bunny!

*(Music and Dance)*

SB: Me? Dead? Of course that's what Dr Chocovont wanted, but he didn't know about my extra special power.  
Mrs B: What's that Sup ... errr ... Flopsy?  
SB: What Dr Chocovont didn't know was that I have a special power that means that I can eat more chocolate than anyone else. In fact I could eat all the chocolate in Choco-world without feeling sick! So when we fell in the Vat of Chocolate I just started eating.  
Prof: And you ate all of that chocolate?  
SB: (rubs his tummy) Every bit! Apart from the big block that I left Dr Chocovont trapped in! Yes I did, I even licked out the bottom as well.  
Prof: And Dr Chocovont?  
SB: Oh he won't be troubling you any more. The days of his evil schemes are over.  
Mrs B: Oh Sup .... err.... Flopsy you really are a super hero. No one else could have done this except you!  
Prof: Oh yes .. Flopsy .... you've saved Choco-world single handed!  
SB: (in very heroic voice) Hey, It was nothing, you can call on me at anytime, its all in a days work for us Super Heroes, and after all, that's why they call me ... Super Bunny!!!

*(Music and Dance - SB exits)*

Mrs B: Wow what a Bunny.  
Prof: What a Super Super Bun....  
SB (off stage) Let me get home first!  
Prof: Super Flopsy!

*(Prof and Mrs B exit)*
