Mrs Bluit (A house keeper)

Professor Chocle (eccentric scientist)

Doctor Chocovont (Evil master Criminal)

Super Bunny (a Bunny super hero)

(Enter Mrs Bluit.)

Mrs B: Professor! Professor O professor Chocle where are you?

(Enter Professor Chocle looking very absent minded)

Prof: Oh dear ... Oh dear What is it Mrs Bluit? You're disturbing my train of thought. I was just on the verge of working out how to turn grass cuttings into chocolate and ... and ... and now I've forgotten where I got to in my calculations and I'll have to start all over again.

Mrs B: Oh Professor you're chocolate mad! Is it all you ever think about?

Prof: (scratching his head) Is there anything else to think about?

Mrs B: Professor, you asked me to remind you that today you have to put the finishing touches to that thing in the dining room, what is it you called it?

Prof: That Mrs Bluit is a Choccle champy chunky chog choc chocolate Easter Egg. Its made with the chocolatiest chocolate you could ever imagine and its my entry in the World Chocolate Egg championship that is to be held the day after tomorrow in Choclebury.

Mrs B: Ooooooh Professor, you are such a chocampion! (Giggle)

Prof: (very seriously) I know, Chocolate has been my life's work, and this Choccle champy chunky chog choc chocolate Easter Egg is my greatest ever achievement and when it wins the million pound prize in Choclebury I'm going to use the money to give all the children who don't get Easter Eggs one of my extra special Chocky Choc Easter Eggs.

Mrs B: Well Professor I think that that is one of the kindest things I have ever heard. You better get on and finish your Chu ... ch ... ch err... Easter Egg then and win the competition hadn't you.

Prof: (enthusiastically) I'll just go and get the last few ingredients from my laboratory and get to work right away.

(Exit Mrs Bluit and Professor Chocle in different directions)

(Enter Dr Chocovont looking sneaky and looking around)

Dr C: So Professor Chocle thinks he is going to win the world chocolate championship does he? Ha ...! Well he's got another thing coming because it won't be him who wins but me, Doctor Chocovont, and when I get the Million Pound prize I'll use it to buy all the Easter Eggs in the world and keep them all for me and no one else.
(Evil laugh) So much for the Choccle champy chunky chog choc chocolate Easter

Egg. Its not going to win any prizes because I'm going to steal it and hide it away in my secret laboratory!

Prof: Its gone, my Choccle champy chunky chog choc chocolate Easter Egg, its gone, disappeared, vanished.

Mrs B: But how? where? when? What could have happened to it? It was definitely there this morning because when I saw it I remembered to remind you to finish it.

Prof: Well it can't just vanish can it, either its grown legs and run away or .. or ... or ... or someone's stolen it!

Mrs B: But no one's come into the house, I haven't seen anyone all morning. No one could have taken it.

Prof: Someone must have seen something. We'll just have to ask everyone. (Looks at audience) What about you lot? Did you see anything? Do you know where my Choccle champy chunky chog choc chocolate Easter Egg has gone?
